

### ***Xpert Windshield: The Expert Choice for Ultimate Clarity.***

**KEEPGARD XPERT** is designed to address the rising cost of automotive glass driven by advanced technologies, by minimizing scratches and extending the lifespan of windshields. It reduces the need for frequent replacements and delivers long-lasting durability and outstanding protection. The film also minimizes distortion and glare, ensuring **clear visibility in any lighting condition**. Thanks to its excellent workability, installation is easier and more efficient. Known for its top-tier performance, **KEEPGARD XPERT** offers strong resistance against scratches, stone chips, and environmental damage. It also reduces wiper noise, providing a quieter and more comfortable driving experience.

**Experience clear and safe driving even in the harshest road conditions with KEEPGARD XPERT.**

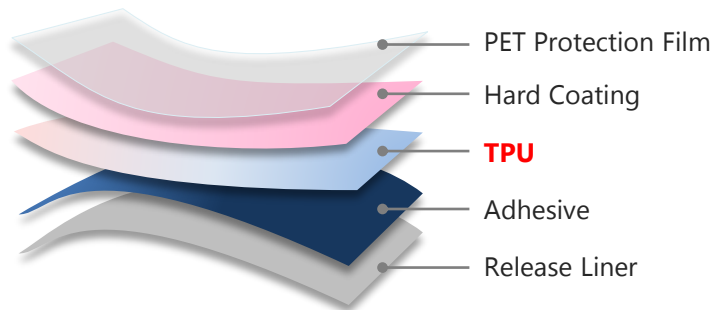

### **1-YEAR LIMITED WARRANTY**

KEEPGARD Windshield protection film is warranted for 1-year from the date of installation against peeling, bubbling, blistering.

\*only applicable in the case of proper handling and use

### **FEATURES AND STRUCTURES**

- ✓ **Rock Chip Resistant**
- ✓ Highest Transparency & Gloss
- ✓ Easy to Installation
- ✓ Water Repellency
- ✓ Durability

### **TYPICAL PROPERTIES**

Thickness	7.3mil (182 $\mu$ m)
Visible Light Transmittance	>90%
UV Rejection	>99%
Haze	<1.0
Adhesion Force	>1000gf
